PRAY *through it*

I sense that the Lord wants to take NewLife Church on a 90-day corporate 'Journey of Prayer'.

I feel particularly excited because the Lord impressed upon me the quote 'killing two birds with one stone' meaning that as families come together to pray for our community and church that God is consequently going to bring unity, love and restoration into marriages and families as we stand together in prayer.

This will be a 3-month commitment, praying for the church and this region God has called us to cover in prayer as 'spiritual gate keepers'.

When praying with your family ...

1. Put time aside, turn off phones, gather the family.
2. Be expectant, tune in and invite the Holy Spirit to lead.
3. Worship is always a great place to start so perhaps play a favourite worship song.

*Enjoy the journey ... Ps Kaz*

To this end ... I have set up 30 days of prayer with topics and side notes to help. Repeat this three times over the next three months.

Starting Monday, January 1 and going through to Saturday, 30 March we will finish up with an Encounter Night on Easter Sunday, 31 March at 5:00pm.
